

### **Product Description**

Omega is made from the finest blend of premium and visco-elastic urethane foam materials resulting in cushion with a plush feel under foot while at the same time providing the required support for the carpet. In addition Omega has antimicrobial protection built in. Plus carries a 25 year warranty for use on stairs and in hallways.

Omega is especially well suited for soft back carpet installations with its high tensile strength non-woven fabric lamination topped with a PE film together allowing the carpet to glide and stretch over the cushion for easy placement during installation. The lamination also acts as a stain stopper finish which gives the consumer enough time to clean up accidental spills before they reach the cushion and sub-floor.

### **Physical Properties**

Construction	Bonded Urethane
Color	Charcoal
Weight Class	8 Lbs / Cubic Ft
CFD @ 65% Deflection (Compression Force Deflection)	11.0 PSI
Antimicrobial Protection	AlphaSan® by Milliken®

### **Roll Size**

Coverage	25 Sq Yds (225 Sq Ft)
Width	6' (72")
Length	37'-6" (450")
Thicknesses	3/8, 7/16, 1/2 inch

### **Lamination Finish**

Non-woven Reemay fabric with Std. White PE film
